BUSINESSES. PUTTING EMPLOYEES FIRST

If you are about to set up a new business or your business has grown to more than 15 employees, it's time to make a decision about joining and contributing with the right superannuation partner.

At Nambawan Super we have a strong commitment to preserving and maximizing members contributions.

The first thing to remember is superannuation is a long-term arrangement that lasts for your employees entire working life. It is vital to choose a superannuation partner who offers open and honest communication and whose business practices are founded on principles of good governance.

Nambawan Super have a disciplined and transparent investment process designed to produce sustainable and reliable investment performance over

the long term, guaranteeing employees savings are safe and secure, ensuring them a financially secure retirement.

Members of Nambawan Super are entitled to a host of benefits and services:

- A wide range of valuable discounts and special offers from a large number of PNG's leading businesses.
- The opportunity to make additional voluntary contributions, giving your employees' retirement savings a real boost.
- Access to a Housing Advance facility, to help them buy or build a home.
- Access to Nambawan Retirement Savings Account, which helps members use their savings wisely after retirement.
