

Campaign Application Guide

Nambawan Super is creating a new campaign

Nambawan Super is looking for members of the Fund to help us make a new marketing campaign.

How to apply

If you are interested and likely to be available 3-4 hours on 1 day during mid-late October, then make a short video 1-2 minutes. Just a smart phone video is fine.

Find a quiet, well lit area and stand so we can at least see you from the waist up.

Then, in 1-2 minutes please answer the following questions as clearly and naturally as possible:

- What's your name?
- Tell us about your job, what you do, the types of people you work with.
- What do you like most about your job?
- In what place are you working? What's the best thing about the place?
- Can you sing? Please sing a few lines from a favourite song. If you can't think of one maybe try singing part of 'Happy Birthday'.

You don't have to be a great singer but some roles will involve the singing of 1-2 quick lines!

This video is your chance to show us your personality so give us a smile and try and enjoy doing your recording. It is also a chance to show off where you work – but keep it short.

You can watch a few example videos for ideas on [Nambawan Super's YouTube Channel](#).
